

aiming for a better future

The prices shown for Linux Corps workshops include:

- Training as detailed
- Accommodation for the length of your stay
- All meals and refreshments
- Use of all facilities 24/7

All Courses start on a Monday and end on Sunday.

Prices do **NOT** include travel to and from the Centre although transfers to/from local arrival coach or rail stations are available as an optional extra.

For any workshop that falls between July and mid September, a high season charge is built into the cost.

Novice Courses:

[Linux Installation](#)

[Fundamentals of Linux](#)

[Migrating to Desktop Linux](#)

[Web Design & Management](#)

Intermediate Courses:

[Server Administration](#)

[Dynamic Webdesign](#)

[Multi-Media Mysteries](#)

Advanced Courses:

[Networking Linux Servers](#)

[e-Commerce Applications](#)

[VoIP, PABX and Wireless](#)

Social Events:

Geeks & Guru's Grunt.

Three one week summer breaks of socialising, sharing knowledge, developing new ideas and more open source than you ever thought possible.

Great food, great company and putting a new twist on GNU/Linux's, FREE as in FREEDOM - **AND FREE BEER!!!**

Private Group Hire:

Want to book LCO France for a private function? LCO can accommodate up to 9 persons where at least three couples wish to share. Individual beds allow seven non-shared beds.

Depending on what facilities are required for the duration of the stay, we will be happy to provide a special quote to meet your needs.

Ideal perhaps for company promotions with a difference, or training sessions in subjects not covered in our prospectus.

Please email or write to us for more information.

Booking a Workshop:

To receive details of the cost of any of our workshops, please [click here](#) and select the Course that you would like to join. You will then be presented with an interactive form that will automatically calculate the price for you based on your requirements.
